

Accessories for Easyzone System

AZEZ6DAIST/L

To increase the flexibility and speed of installation of the Easyzone multi-room air conditioning system, Daikin are glad to announce the release of a series of new accessories.

Zone room) controllers

Previously only available in a wireless, battery powered option, the Think touch screen and Lite simplified controllers are now available in a hardwired option. This alleviates the issue of having to change the battery within the controller.

Model	Description	Trade Price
AZCE6THINKCB	Additional wired touch screen room thermostat	£160.00
AZCE6LITECB	Additional wired simplified room thermostat	£110.00

AZX6BACNET	BACNET gateway	£205.00

* In addition to a AZX6BACNET per Easyzone unit, a DCM009A51 BACNet Client software is required per Intelligent Touch Manager.

ACCESSORIES FOR EASYZONE SYSTEM

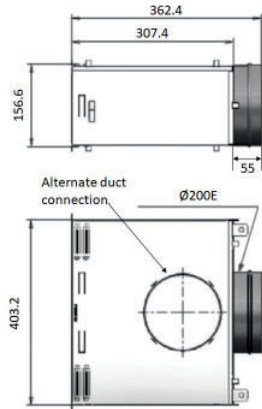

Supply air diffusers & plenum

To simplify selection of a suitable supply air diffuser, Daikin now offer a Wall mounted and a Ceiling mounted diffuser, along with a suitable plenum.

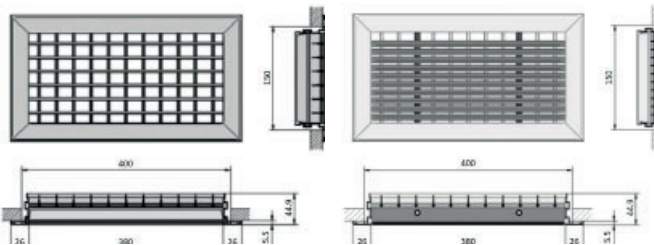

Both types of diffuser are 140mm wide by 150mm deep.

The wall mounted diffuser is of the double deflection type – both horizontal & vertical moveable vanes, whilst the ceiling mounted diffuser has horizontal vanes fixed at 15° and moveable vertical slates.

The plenum is provided with a Ø200mm spigot that can be adapted from front to top connection.
