

Control Operation from Anywhere

User friendly screen display facilitates easy operation. NEW

By using our Wireless LAN Interface and "FGLair" app, you can control your home's cooling and heating anytime and anywhere.

If you forget to turn off your system before you left your home - no problem!

"FGLair" is an application software that enables you to operate the Fujitsu General's air conditioner(s) with a mobile device from either in your home or when you are on travelling.

Wireless LAN Interface

The exclusive Wireless LAN adaptor enables you to operate the air conditioner by smartphone or tablet PC from outside.
