

Flush Metal Surround Madoka Remote Controller

UK.BRC1H (BRA/POL, CHR/POL, CHR/BRU)

An elegant flushed mounted version of Daikin's latest remote controller

The Madoka remote controller is now available with a metal surround option, it is designed to be recessed into the wall, with the fascia plate (dimensions 117mm wide x 102mm high and 2mm depth) being secured to the supplied backbox (dimensions 103mm wide x 90mm high and 37mm depth).

It comes in a choice of finishes with matching finish screws:

- > Brushed chrome
- > Polished chrome
- > Polished brass

Functionality

The metal surround option retains all the functionality of the original Madoka remote controller, such as

- > Start/stop control
- > Mode of operation change
- > Set point adjustment
- > Fan speed adjustment
- > Louver position control

In addition, connection via Bluetooth for the Madoka Assistant App ensures access to all advanced functionality and speed of commissioning and servicing.

Compatibility

The metal surround Modoka controllers are compatible with all Sky Air, VRV and heat recovery ventilation (VAM) indoor units.

Availability

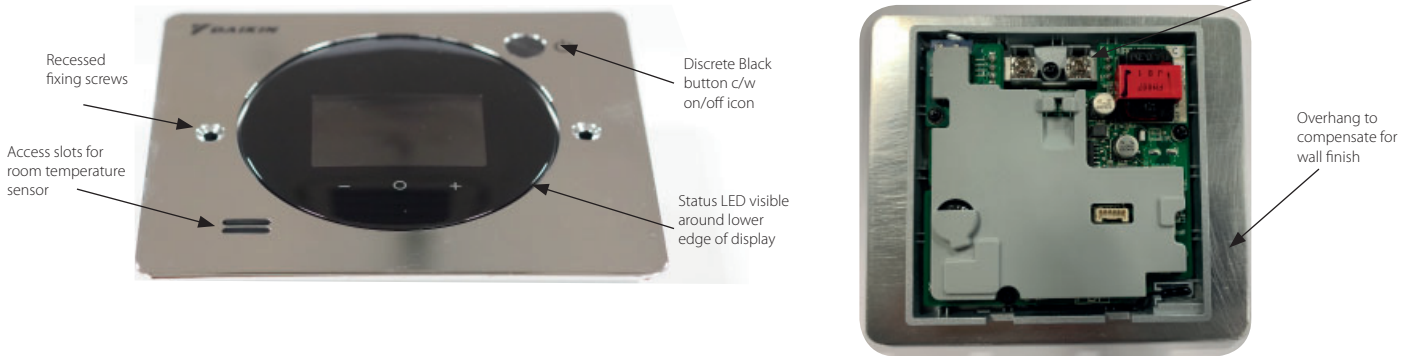

The metal surround controllers are available for order now, on a 3-4 week lead time.

Model	Finish
UK.BRC1H/BRA/POL	Polished Brass
UK.BRC1H/CHR/POL	Polished Chrome
UK.BRC1H/CHR/BRU	Brushed Chrome

Other finishes are also possible, please let us know the required finish and we will look to match it - we will then confirm cost and lead times.
